

FOR IMMEDIATE RELEASE – August 3, 2006

## *Cityscape* *Touring from New York City*

The MT Space (Multicultural Theatre) presents a multi-media performance piece by Cilla Vee Movement Projects from New York. Join us after work at **5:30 pm on Wednesday, August 16<sup>th</sup>** or at **7:30 pm on Thursday, August 17<sup>th</sup>** at the Canadian Clay and Glass Gallery. After each show the artists will join the audience for a meet 'n greet (cash bar).

*Cityscape* is a thirty minute dynamic, multi-disciplinary work using percussion, a soundscape of live and recorded music, image projection, dance and movement. The artists evoke moments and moods of urban life. Ranging from cosmopolitan to deeply personal, from squalor to glamorous sophistication, *Cityscape* will guide you on a tour of Cilla Vee's New York.

Admission is **\$10.00** at the door or in advance by phone 519.585.7763 or email [info@mtspace.ca](mailto:info@mtspace.ca).

Also note that a two-hour workshop, **The Language of Movement**, will be held at the MT Space at 141 Whitney Place on **Thursday, August 17<sup>th</sup>**. Using movement as a form of language to communicate ideas, emotions, and stories, artist Claire Elizabeth Barratt of Cilla Vee Movement Projects will open insight into the many ways in which to approach movement. Exploring textures and qualities of movement, concepts of kinetic motion, form and space, this workshop is both challenging to the professional and accessible to the inexperienced mover. It is suitable for most ages and abilities – except for young children.

The MT Space (Multicultural Theatre Space) is a not-for-profit arts and culture organization located in the Waterloo Region. Drawing upon the wealth of multicultural identities living in the area, The MT Space aims to increase collaboration between performance artists of many disciplines, cultural orientations and spaces of practice.
